

Foot actuated air pressure PTT switch

DESCRIPTION

- > Low-profile easy to operate air pump.
- > Discreet installation.
- > No wires from the actuator to the electrical circuit.
- > No leakage current in critical applications.
- > UL approved.

SPECIFICATIONS

Electrical	
Model	DM FS-1
Type	SPDT Momentary
Power Supply	250 VAC 16 A

Mechanical	
Switch Air Pressure	5 psi
Air Pump Diameter	93 mm
Air Pump Height	16.5 mm
Weight	0.13 kg / 0.29 lb
Hose Length	2 m / 78.74 in.

ORDERING

Type	Product No.
DM FS-1	270000071
